

# TABLETS & CAPSULES

www.tabletscapsules.com

May 2009  
Volume 7 Number 4

Photo shows WalletLine modular walleting machine that produces as many as 300 wallets per minute in a variety of sizes and shapes. Wallets serve as marketing tools and can include product brochures and other components. Machine integrates with any continuous or intermittent-motion blister packaging or end-packaging machine, as well as hot-melt and sealing-lacquer processes. Courtesy of Harro Höfliger, Doylestown, PA. Tel. 215 345 4256. Fax 215 345 4994. Website: www.hofliger.com.
